Bankbridge Greenhouse Spring Sale

Contact: Dyanna Dessicino

856-468-1445 x 2708

Who: Bankbridge School's Horticulture Staff and Students

What: Bankbridge Greenhouse Opening Day

When: Starting April 28, 2016

Where: Bankbridge Regional School (Greenhouse)
870 Bankbridge Road, Sewell, NJ, 08080

Why: Don't miss opening day of the Bankbridge School's horticulture greenhouse on Thursday, April 28.

This program is 14 years old and sold over 1,500 plants in previous seasons. Approximately 45 horticulture students work in the greenhouse to plant the seeds, care for the plants and sell them. Students learn valuable skills in the area of greenhouse production, maintenance and customer service. Students begin to plant the seedlings and plugs in February through early March. The program recycles by washing all returned pots and trays which will be used the following season.

Herbs, peppers, tomatoes and assorted annual flowers are for sale. A full list of plants is attached. Mother's Day hanging baskets and container plants will be for sale beginning May 5.

All sales go to the GCSSSD Student Activity Fund. This fund is used for horticulture related student trips, which include Longwood Gardens, Grounds for Sculpture and more.

Hours and a full list of available items are attached.
